Hi Jennifer,

The State Police and Pittsfield PD changed plans. They will bring the drug sample to the Amherst Lab. I will then contact Julie to see what she wants done.

Thanks for your help,

Jim Hanchett

Subject: possible specimen from Pittsfield

Hi Jim,

We spoke with earlier today regarding a sample collected in Pittsfield that made a police officer sick.

For sample submission to the State Lab, please have the police call the 24/7 BT/CT phone. The number is 617-590-6390.

Thank you,

Jennifer
